**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who is using Sonic internet. Because of broadband competition, I am able to afford great service and provide for my family. I do indeed support broadband competition. If it wasn't for Sonic, I would still be stuck using other monopoly companies who literally sucked my wallet empty for over a decade.

Thank you.
